3) The probable cost of printing 4,100 copies is stated to be Rs. 4715/-. It is stated that the Sale price would come to Rs 1-8-7 per copy. The price of the present edition (5th) is Rs 2/8. We need not perhaps now ask the Supt. why this price was fixed then.

4) The Supt. Govt. printing does not fix up the time within which the work could be completed. He says it will be done in as short a time as possible.

5) The Supt. further says that the Budget allotment for the press may be raised by Rs 5000/- on account of this work since he is not for reducing the existing resources. As this it

40 Requisite for a new edition have been received from several quarters.

41 The Supdt estimates the cost of bringing out a new edition with 4100 copies at Rs 4000 nearly — and for this additional grant is requested.

SIR,

With reference to your letter No: Fl. 9112, dated the 11th June 1929, requesting to be furnished with certain information regarding the printing of a new edition of the Mysore Service Regulations, I have the honour to state that a copy of the V edition of the M.S.R. together with an up-to-date set of A & C slips has since been received from the Curator, Government Central Book Depôt, Bangalore, and that the cost of printing 4,100 copies of the same would work out to Rs. 4,715-2-8 or Rs. 1-2-5 per copy. The selling price per copy including 33 1/3 per cent sale commission, would therefore come to Rs. 1-8-7 or Rs. 1-8-0 in round figures, if approved.

The expenditure of nearly Rs. 5,000/- on this account would considerably reduce the budget resources under 'piecework' and other heads, if it has to be met by the Press, and I therefore request that the budget allotments of the Press may kindly be caused to be increased to that extent or the expenditure ordered to be met from some other source.

As regards the time required for printing the book, I beg to state that it much depends on the co-operation of the department in returning the proofs, etc., in time. However, every

effort will be made by the Press to complete the work in as short a time as possible.

I have the honour to be,
Sir,
Your most obedient servant,

Superintendent.

ORDER NO: FL: 1693-4/97

Dated, Bangalore, the 4th September 1929.

Government consider it necessary that the present (fifth) Edition of the Mysore Service Regulations, which has undergone several changes since its publication should be re-edited and a fresh edition brought out at an early date.

Mr. A. N. Raghavachar, Under Secretary, Finance, will personally supervise the work in all its stages, Mr. Kashinath, Caseworker in the Branch, assisting him in the editing work. Besides, reprinting the present edition with all the corrections, important changes if any, since made in the corresponding rules in British India should be studied and put up for orders. And the alterations that are approved, should be incorporated in the new edition. The work should be got through in about 4 months' time.

If the cost of reprint cannot be met by reappropriation, a supplementary demand to meet the expenditure, will be placed before the Legislative Council.
